UnitedOne announces new branch

UnitedOne Credit Union says it's opening a fourth branch in Sheboygan. The opening is slated for next month and will be part of the Encore Apartments complex in downtown Sheboygan, located at 733 N. Eighth St. - the former Boston Store.

The credit union already operates branches on the north and south sides of the city and in the Aurora Sheboygan Memorial Medical Center hospital.

Farmers in Manitowoc and surrounding counties are eligible for emergency loans (currently 3.75% interest) due to winterkill and spring injury. Read the full article by clicking [HERE](#) for more information.

If interested, the application process is open now and runs through February 28, 2018. Contact the Manitowoc FSA office at 920-683-5119.

Foxconn will demand staggering government incentive package to land in Wisconsin

In return for building an industrial campus that could employ as many as 10,000 people in Wisconsin, Foxconn Technology Group almost surely will expect subsidies, tax breaks, job retraining promises, infrastructure improvements and other government incentives. And it will expect them on a scale that by traditional standards would be staggering.
