Space is Limited!

Worker's Comp is likely one of the largest single insurance line-item expenses most businesses face, yet few understand its mysteries and effectively manage its costs. Please join us for this informative seminar as we de-mystify the Worker's Comp system and set you on a path to decrease costs and feel confident in a productive, results driven plan moving forward.

Topics to be covered:

- Worker's Comp basics
- Experience-Mod 101
- Top cost drivers across the system
- Claim, claim types and how they impact your premium
- Hiring and employee management practices and Worker's Comp
- Return to work schedule and programs
- Impact of allowing late reporting
- Strategic healthcare partnerships
- Solutions

Who should attend?

- Business owners
- CFOs
- Controllers
- HR Managers
- Safety Managers
