

Progress Lakeshore's Local Box of Love is a brand new fundraiser for our non-profit organization and Manitowoc County businesses. The boxes are a combination of highly curated goodies from local businesses themed around Valentine's Day. Progress Lakeshore will be purchasing the items from different shops in the area and combining them to create the Local Boxes of Love. They will be available for preorder so the community can buy them and celebrate the month of love while supporting local economic development **and** Manitowoc County businesses!
